

# Winter Sports Activities

The following list details the winter sports activities that this policy will cover when you purchase the winter sports option under sections B Emergency medical and other expenses section D Personal accident and section G - Personal liability when you are participating on a recreational and non professional basis during any trip.

The winter sports cover must be shown as included within your certificate of insurance in order for cover to be operative.

Any winter sports activity not mentioned below will not be covered.

Any involvement in these sports and/or activities is subject to your compliance with local laws and regulations and the use of recommended safety equipment (such as helmet, harness, knee and/or elbow pads and eye protection).

No cover under Section G – Personal liability for those sports or activities marked with \*
